Max Colwell, of Pasadena, visited in town this week.

Charlie Bodine and George Clark, of Suffolk avenue, spent last week at Arrow Bear.

Francis Hibbs, of Ramona avenue, is spending the week at Harbor City.

Percy Kortkamp, of Park avenue, is visiting his cousin, Harold Curdie, this week in Hollywood.

Miss Mary Penn, of West Montecito avenue, enjoyed two weeks with Long Beach friends at Big Bear Lake.

The Flemings were entertained at dinner on Sunday at the home of Mr. and Mrs. Andrew Wolfe, of Los Angeles.

John Lannan, of East Grand View avenue, and a party of friends fished at Huntington Beach this week.

Miss Ruth Wheeling, of 101 East Central avenue, spent five days last week with the Hull family at Del Mar.

Mrs. Fannie K. Miller, of West Carter avenue, was a guest at the Canterbury Hotel in San Francisco last week.

Miss Ruth Lang, of Downey, spent last week with her cousin, Mrs. Conners L. Twycross, of 123 South Baldwin avenue.

Everett and Joe Hinojos and a party of out-of-town friends spent Tuesday at the greyhound and monkey races at Compton.

Mrs. I. E. Carpenter and small son, of San Pedro, are visiting Mrs. Carpenter's mother, Mrs. Bertha B. Miller, of 439 Mariposa avenue.

Mr. and Mrs. Earl H. Lowe, of Washington, D.C., have leased No. 15 Bella Vista Terrace for a year, through W. R. Humphries' office.

Donald Hibbs, of Ramona avenue, who is engaged at reforestation work near Bakersfield, spent Saturday and Sunday at his home here.

Friends of the Butts family, former residents, now residing in Beverly Hills, report that William Butts has greatly improved in health recently.

Mrs. Henry Olsen, of Olsen's Shoe Store, and her sister, Mrs. Fred Edwards and children, of Pasadena, have been spending the week at the Olsen cabin in the Big Santa Anita.

A group of women from the local First Congregational Church were entertained yesterday afternoon at the First Congregational Church missionary meeting in Pasadena.

A daughter, Marjorie, was born to Mr. and Mrs. James Scoville, of 264 West Grand View avenue, on Thursday morning at the Pasadena Hospital. Mother and daughter are doing nicely.

Mrs. Hortense Hill and Elizabeth and Howard Morgridge are enjoying the week at Hermosa Beach. Mr. and Mrs. George B. Morgridge will join them for the weekend.

Basking in the sun at Long Beach last Thursday were Mrs. H. C. Lieben and sons Howard and Bob, Mr. and Mrs. Lyle Anderson, and Jane Anderson, Sadie Sellers, Shirley Chamberlain and Warren Preston.

Evangelistic meetings are being held every night except Monday and Saturday by a group of young men, with Edward Davis, of 659 West Alhambra avenue, in charge, at Rosemead and Blanche streets, Pasadena.

Miss Kathryn Kinne, of Lake Arrowhead, arrived on Sunday for a short visit with Mr. and Mrs. George M. Lehner, of 550 West Central avenue. The Lehnners accompanied Mrs. Kinne to Lake Arrowhead on Thursday and will remain for a few days.

Mrs. Jack Cowan, nee Aveline Corneth, is leaving by motor on Saturday for a visit of a month or six weeks in Big Springs, Texas, to visit Mr. Cowan's parents. Upon her return she will make her home in Long Beach. She has been a resident of Sierra Madre for the past ten years.

Honoring the three Swanson children, Gloria, Marguerite and Vera Mae, who will leave on Sunday with their mother, Mrs. Joe Swanson, for Scotland, Mrs. Cynthia J. Holmes, of San Gabriel Court entertained with a bon voyage party on Thursday evening. Nine children of the neighborhood were guests.

Local Fire Chief Appointed Deputy Marshal For Area

Two new honors and another set of badges and credentials came to Fire Chief W. D. Richards this week. State Fire Marshal Jay W. Stevens forwarded notice of his appointment as a Deputy State Fire Marshal to serve in this area in a letter complimenting Richards on the high efficiency of the fire fighters under his command and the interest of the men in their work. In the following mail delivery the chief received notice of his appointment as a representative in the San Gabriel Valley of the California State Firemen's Insurance Fund. He had served a term as president of the San Gabriel Valley Firemen's Association.

Legion Loses Hectic Game To Pasadena

Ten-Inning Contest Gives Crown City First Place In Veterans' League

Pasadena's Legionnaires moved into undisputed possession of first place in the Legion League when they broke the deadlock with Sierra Madre's soldiers at Brookside Park on Friday night by winning a hectic ten-inning battle that will long be remembered by about 400 Sierra Madre rooters who witnessed the contest. It was no fault of these loyal fans that the team came home in second place, for they gave the Pasadena throng a few lessons in real rooting.

Though each team was credited with nine hits, Pratt outpitched Palmer, his opponent, causing 13 of the Crown City batsmen to fan the heat laden atmosphere. Sierra Madre had the game on ice until the eighth frame when Shaeffer hit a Texas leaguer to short right which fell between Reavis and Hill, who tried for it. Eckstrom, next man up, grounded to Welch who on a fielder's choice threw to first retiring Eckstrom while Shaeffer romped over the plate with the tying run.

Both sides were blanked in the ninth and Sierra Madre put a run across in the tenth, when Pratt singled and went to second on a passed ball. Welch grounded to first and Pratt scored.

Pasadena pushed two runs over and won the game with solid hitting in its half of the inning. Morse singled and Gelchime doubled, scoring Morse. Stanley singled and Gelchime scored the winning run from second.

Welch, Evans and Pratt registered seven of Sierra Madre's nine hits and Pratt and Welch scored four of its five runs. The two hits by Evans drove in four runs, besides which he caught a perfect game.

Sierra Madre scored two runs in the fourth. Pratt singled, Welch doubled and Evans scored both runners with a double. Pasadena came back with two to tie in the fifth when Young and Harkness got their signals crossed when Gelchime popped to short left field. Morris had singled when Gelchime sent up his fly. Harkness and Young both went after it as top speed. They crashed and before the ball was returned to the infield both runners were over the plate.

Claim Supervisors Plan Unnecessary Expense Of \$700,000

Vigorous opposition to the proposed highway through the Flint ridge hills, to be known as North Figueroa street extension has developed within the Pasadena Chamber of Commerce.

William Dunkerley, chamber secretary, in a written protest to the County Supervisors, points out that the construction of this street extension, at a cost of \$700,000, would be an unnecessary burden to the taxpayers of the county, and is further unwarranted in face of several existing highways which are now available to handle the traffic and by routes practically as short as the proposed new one. The proposed road would be constructed with an 8 per cent grade and would have six curves with less than 300 feet radius, he said. The Pasadena body recommends that the money be spent on building the Palmdale road—shortcut to the desert and the north—through the mountains to the north of that city, by way of the Arroyo Seco and the highway now under construction.

Editor Sees Great Change Taking Place

Kiwanians Hear Noted Publisher Review Changed Conditions In U. S.

John E. King was "sticking" type on a small country weekly in Indiana on July 3, 1881 when a railroad brakeman swung off his train long enough to tell that he had "heard" President Garfield had been assassinated. On this information (there were no telegraph lines into newspaper offices then) the paper "got out" an extra.

The story was used as an illustration by Mr. King, now the publisher and editor of "The Hemet News," one of the leading newspapers of California whose editorials are copied everywhere, to illustrate the advancement of the Nation generally and the newspapers of the United States in particular, in an address to the Sierra Madre Kiwanis Club on Tuesday.

"Fifty Years of Newspaper Making" was the subject of Editor King's talk before a joint meeting of the Sierra Madre and Altadena Kiwanians and grouped about him were several other well known California editors and Col. C. A. Rook, now of La Canada and Pittsburgh, Pennsylvania, former president of the Pittsburgh Dispatch Publishing Company, publisher of the leading independent newspaper of the Keystone State. Among his other listeners were Tobias Larson, editor of "The Claremont Courier" and Lloyd E. Tiernan, publisher of "The Barstow Printer."

It has been his observation, Mr. King said, that a marked change came over the attitude of the people as the field of the newspaper developed. Instead of the bitter animosities that existed between neighbors and business rivals following the close of the Civil War, there started a friendliness that has grown and that is now recognized as the first essential towards the success of an individual or a community.

America is passing through another period of advancement quite as important, Mr. King said, because the people and their government are seeing things in a vastly different light than formerly.

"Within the last four months," he said, "I have noticed a decided change. America has come to the end of another period. Things we thought were important to American life have found to be unessential. Men have learned that they don't need an income of \$2,000,000 annually and silk shirts to be happy. This realization has come to country towns with a great significance. We have learned that the theories of fifty years ago are not important. Our neighbor is our friend. We cannot let animosity prevail in our business or social life."

Following the Kiwanis luncheon the visiting editors were taken on a tour of the city that included the Municipal Art League studio, which they expressed a desire to inspect.

These Letters Tell Their Own Little Story

These two letters are self explanatory—tell their own story about the efficacy of THE NEWS classified or "Want ad" columns:

To The Editor of The Sierra Madre News:

Thanks for the piano we asked for in your issue of last week. A phone call an hour after the paper was delivered on Friday informed us that it would be forthcoming. The donor does not want her name known—just wants the satisfaction of contributing towards the success of the Art League. Verily, to him that asks thru The News it shall be given. The instrument makes it possible to carry through the excellent program planned for the open house at the League on August 4.

H. I. Hawhurst.

Editor Sierra Madre News:

This letter is being written on a very fine typewriter loaned us through the medium of an "ad" in this week's paper. We also appreciate the nice story regarding our activities and feel that with your continued co-operation we can face even very trying conditions.

WORK BEING ACCOMPLISHED BY CONSERVATION CAMP HERE IMPORTANT TO COMMUNITY

By Ralph W. Black

YOU'VE got to get up, you've got to get up," . . . That is the order that the bugles blare forth every week-day morning at 5:45 o'clock to some 270,000 young men now assembled in the Citizens' Conservation Camps throughout the United States. The call is not to martial duties however, but to peaceful, constructive labor which will assist in preserving for the present generation, and posterity, the vast forests of the Nation.

In pursuance of the policy of high Government officials and subordinates, directly responsible for the conduct of the huge reforestation project to acquaint the general public with what is being accomplished through the C.C.C. Camps, Lieutenant William J. McCarthy, commanding officer of the 63rd Coast Artillery, and now stationed at the Monrovia Canyon Camp, and Henry S. Gierlich, superintendent of the same unit, were in Sierra Madre this week for the purpose of outlining to the citizens of this city how the plan is being made effective, at least, so far as this district is concerned.

Amendment To Beer Law To Be Asked

Petitions Urge Council To Allow Its Limited Use Where Purchased

More than 400 citizens have signed a petition to be presented to the next meeting of the City Council requesting that the ordinance permitting the sale of beer here be so amended that the new legal beverage may be absorbed, in limited quantities, where it is purchased.

The proposed limitation, by the way, is three bottles of the beverage that the government and its scientific experts declare is not capable of intoxication. Also the petitions make it clear that it shall not be dispensed to persons under 21 years of age.

Setting forth that the prohibition contained in the present ordinance (the first, by the way, which ever permitted the sale of anything that looked or smelled like alcohol in Sierra Madre) is allowing money to dribble out of the city that might as well be held here, the petition aims to permit local licensees and particularly those prepared to serve food, be permitted to serve beer with meals.

Advocates of the amended ordinance point out that at each opportunity Sierra Madreans have had to pass upon the subject they have registered increasing "wet" majorities along with the remainder of the Nation and that there has been a vast change in sentiment here towards liberating the sale of beer since the restricted ordinance became effective.

Pasadena Water Supply Will Flow Through This City

In a formal communication to the City Council read at its meeting on Wednesday evening the City of Pasadena asks the right to run a huge water conduit through this city from its Pine Canyon dam to its Sunset reservoir, in Pasadena.

The proposed line would be 36 inches in diameter, of welded steel not less than three-quarters of an inch in thickness and it is proposed to lay it along Orange Grove avenue from the easterly to the westerly boundaries of the city.

Jury Trial Asked Reckless Driving Charge Denied And

Fred C. Silvers of Los Angeles pleaded not guilty to a charge of reckless driving when arraigned before Judge Tom Neale in the City Court on Friday and demanded a trial that has been set for August 1.

Cars driven by Silvers and Albert Beaudoin, of this city, collided head-on on Sierra Madre avenue when Silvers was driving towards Foothill Boulevard on the night of Sunday, July 16. There were three passengers in Beaudoin's car. Both machines were badly damaged but no one was seriously hurt. Police charged Silvers with driving on the wrong side of the road.

Cut Cost Of Operating The Library

Employees Take Voluntary Reduction In Salaries In Budget Sent Council

Announcement was made by the board of Library Trustees yesterday that it has arranged to carry on its activities during the next fiscal year for considerably less than during the year 1932-33, though there has been an increase of 20 per cent in the service rendered during the last four years. The amount asked for next year is practically the same as that received eight years ago and the library employees have voluntarily accepted a cut of 10 per cent in salaries.

It is pointed out in a communication from the trustees to The News that whereas there has been a decrease in other municipal activities during the depression, there has been a greatly increased demand on the library. The communication follows:

"Governmental bodies are everywhere practicing as well as preaching extreme economy in expenditures. The Board of Trustees of the Sierra Madre Public Library desiring to co-operate to the fullest with the City Administration, has planned next year's expenses so that the greatest possible saving will be made for the benefit of the taxpayers. The Library, however, faced a most unusual difficulty in trying to trim its budget an amount comparable with that of the other governmental departments, and this for the following reason:

"The business of the Public Library is increasing at a remarkable rate. Demands for business activities, as a rule, have been decreasing over the past four years; seriously so for the most part. On the other hand, the activity of the Public Library has greatly increased in this same period.

"For example, the circulation of books from our Library has increased each year by the following percentages: the fiscal year 1929-30 increased 3 per cent over the previous year, 1930-31 increased 1 1/2 per cent over the previous year, 1931-32 increased 6 per cent over the previous year, while 1932-33 increased 11 per cent over the previous year. This means an actual growth of about 20 per cent in the four years under consideration. The total (Continued on Page Three)

Two Summoned To Court Because Of Auburn Avenue Fire

Glenn Ruedy and Gregg Retchlin of 869 Auburn avenue have been summoned to appear before City Judge Thomas W. Neale at 1 o'clock this afternoon to answer a charge of starting a fire without a permit. Cleaning up the premises at the address given they are charged with having burned rubbish without the required permit and instructions from the fire department and with having failed to extinguish it after the fire had apparently burned entirely out.

The gentle ocean breezes that sweep Sierra Madre every morning are believed by the fire department to have fanned smoldering embers into a blaze that started a brush fire that burned over three acres in the lower end of Floral Canyon before the fire department extinguished it and that was sweeping up the canyon. The alarm of fire was given so shortly before the noon hour that it was mistaken, even by some of the firemen, as the signal that midday had arrived and when the siren sounded at 12 o'clock many believed that a second alarm had been turned in.

Canyon Suit Is Decided In City's Favor

Court Holds Council Did Not Abuse Discretion In Making Assessments

Judge Myron Westover has dismissed the suit of E. E. George and other Canyon Park property owners who disputed the city's right to collect an assessment asserted to be in excess of the amount actually required to meet the current bond payments for the improvement of streets and roads in the canyon area.

In its answer to a suit instituted by Roy E. Linn the city contended that it was necessary to make an assessment apparently somewhat in excess of the actual requirements so as to meet any shortage that might arise through failure of any of the affected property owners to meet their annual payments. Judge Westover in his opinion deciding in favor of the city ruled that the City Council had made an accurate estimate of the requirements and that it did not abuse the discretionary power conferred by the improvement act under which the canyon streets were paved.

The court in its opinion quoted the law in question as requiring the Council to levy "upon all of the land within said district a special assessment tax in an amount clearly sufficient . . . to pay all the principal which has become or will become due, and all interest which has become or will become payable on the bonds issued under the proceedings before the proceeds of another tax levy made at the time of the next general tax levy for general municipal purposes can be made available for the payment of said principal and interest." The opinion continues:

"It appears from the testimony that the interest coupons maturing January 2, 1933 amounted to \$3569.81 and those maturing July 2, 1933 amounted to the sum of \$1719.62 or a total of \$5289.43, but that the amount of the levy was \$5289.43, intended to be 'an amount clearly sufficient to pay the principal and interest of said bonds as the same shall become payable'; that the City was obliged to advance a large amount from the general fund to supply the deficiency in collections received on or prior to January 2, 1933; that if the assessment had been only for the total amount of \$5289.43 it would have proven deficient on that date in the amount of about \$1400.00 and that the amount actually collected by July 2, 1933 and in the hands of the Tax Collector but not wholly transmitted to the City would be about \$20.00 less than the amount necessary to pay coupons on July 2, 1933. The above facts seem to show that the Council made an accurate estimate of an amount to be levied which could be expected to result in the collection of a sufficient amount to meet the July maturities, and is the best evidence of the fact that the Council did not abuse its discretion.

"It should be remembered that all of these taxes as they are collected will be available for payment of later maturities and that whatever surplus accumulates in the fund will tend in that proportion to reduce the amount of future levies.

"The proceedings are valid, and it is the right and duty of all parties hereto to proceed in accordance with the provisions of the Act, future levies to be only in amounts clearly sufficient to pay principal and interest as they become payable based on conditions as they exist from year to year."

Horse And Car In Collision; Rider Escapes Uninjured

Several persons narrowly escaped injury late Wednesday night when a car, driven by W. E. McCrary of 320 1/4 Sycamore Place, collided with a horse on which E. P. Bradford of Canyon Crest Drive, was riding.

The accident occurred when McCrary turned from Central avenue into Canyon Drive and met headon with the horseback party traveling in the opposite direction. Bradford was accompanied by his wife who was on horseback.

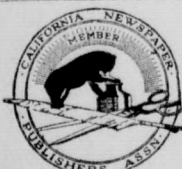

The impact from the collision threw Mr. Bradford to the ground but examination showed him to be uninjured. The horse ridden by Bradford suffered the only casualty, the animal receiving a lacerated leg.

UNUSUAL FEATURE OF THE BIG UPSWING

As the always vivid Frank Kent said in the Baltimore Sun, the extraordinary thing of the moment is that recovery has come before the recovery program has gotten started. None of the three billion public works dollars have been spent. The first agreement under the Industrial Control Act has just been signed, and has not yet had time to produce results. The vast farm plan is still in the prospective stage. Yet business is looking up—all kinds of businesses, in all parts of the country. The psychological effect of bills designed to aid recovery unquestionably were a factor in getting wheels in motion.

Domestic prices recently reached the highest level in close to two years. Current upward movement has been the best sustained in more than a decade. In 66 business days the Dow Jones average of 40 corporation bonds rose 14.33 to 87.86.

EVERY CITIZEN IS A REAL SANTA CLAUS

A lot of people have come to look upon Uncle Sam as a financial Santa Claus.

They forget that every dollar

that he gives to his children has to first be taken away from those children in the form of taxes. It is just beginning to percolate into the people's minds that the \$3,300,000,000 public works program is going to have to be taken from them, the taxpayers.

Every community is clamoring for a share of this fund and although the government gives 30 per cent outright of sums allotted to projects which it approves, the remaining 70 per cent must be returned by additional tax levies in every political subdivision obtaining a loan. The 30 per cent that is given outright must be dug up by all the people for the favored section to which it is given. The public works program, which has been passed as an emergency measure in time of stress, must of necessity increase the burden of the taxpayers, unless ways and means are found to cut government costs in some manner, sufficient to off-set this new expense.

It is well for the people to begin to understand that each citizen is a separate Santa Claus, who pays for every "gift" presented to him by his government.

SHORTER HOURS AND INCREASED WAGES

Washington authorities are shouting for shorter hours and higher wages to bring back prosperity. Well, there is no disputing the part relating to shorter hours. In the Courier office, during the summer months, the problem is to get enough work to keep employees at work half of the time. And if the books are not to go into the red those three months, raising wages hardly solves the problem.

Theoretically higher wages and shorter hours sound well, but mere sound does not create the business necessary to put this theory into practice. However, the printing industry is a fairly high-paid industry and wages in that trade have not been lowered very materially. Employers have taken most of the loss, up to 50 per cent and more; employees rarely more than 20 per cent in wages but with less hours as well.

The trouble with the printing industry in Claremont is the amount that goes out of town. The fact of the Courier being a home institution, paying taxes in Claremont, supporting five to six families here, seems not to be much of a factor with many. We do not fancy the idea of constantly begging for business as does an out-of-town competitor who keeps a representative in almost daily contact with offices having printing, hanging around like a vulture seeking its prey.—Claremont Courier.

SOMETHING TO FRET ABOUT EVERYWHERE

Sierra Madre's campaign for the licensing of cats and banishment of roosters was followed by an effort in one city to permit the shooting of mocking birds.

Operation Of Federal Home Loan Act Will Disappoint Many Who Have All Savings Tied Up In Dwellings

FROM inquiries received by The News it is apparent that many home owners will be disappointed when the Southern California office of the \$2,000,000 Home Owners Loan Corporation is opened in Los Angeles on August 5. Monroe Butler has been sworn in as California manager of the corporation and is prepared to open offices in Fresno, San Diego and San Francisco as well as Los Angeles. Later branch offices may be opened in the smaller cities. For the present all applications for loans in this area must be made through the Los Angeles office. Several thousand applications have already accumulated.

Requests for information have been received from persons who have from \$5,000 to \$15,000 invested in homes, but who are without funds for living expenses, the payment of taxes and insurance premiums.

Many families put their last dollar into their homes just before the depression, got clear titles to them, and now have no savings on which to live.

The Home Owners' Loan Corporation can do nothing about these families. Created for the purpose of saving homes, it can advance money for paying back taxes or making necessary repairs, but not for living expenses.

that sing throughout the night and in another to secure an amendment to the law forbidding use of firearms in cities so as to permit the shooting of frogs. The various movements caused Ed Ainsworth to observe in his El Camino Real column of "The Times":

"Sierra Madre had its noisy cats and roosters. Other towns had frogs and mocking birds to make the night resound. Now a Burbank citizen has been raising Cain about ducks. Pretty soon we shall have to build houses with noise-proof walls to keep people from being bothered with the hideous clamor of butterflies' wings, falling thistledown and tramping kittens."

In A Social Way

M. R. and Mrs. Preston Schwartz, of 287 East Montecito avenue, announced the engagement of their daughter, Miss Sarah Preston Schwartz, to Laurence Lefevre at a family party at their beach home at Balboa

on Sunday, July 23. A small informal wedding on Saturday, August 5, at 2:30 o'clock at the First Congregational Church, Sierra Madre, will be solemnized in the presence of the family, relatives and a few close friends. The couple will sail immediately for England, via Panama Canal, where Mr. Lefevre with teach at Eton College. They will make their home at Windsor.

Miss Schwartz attended Pasadena Junior College, where she was a member of the Aeolian Club. She graduated from U.C.L.A. in 1932 and taught physical education and studied toward M.A. degree this past year at Scripps College, Claremont. She is a member of the Kappa Alpha Theta sorority. Both sides of her family were from Pennsylvania before the Revolution. She has lived in Sierra Madre since 1910.

Mr. Lefevre is a graduate of Oxford University, England. For the past two years he has been doing research work at Mount Wilson Observatory. He will be master of mathematics at Eton College, England's oldest school for boys.

Mrs. A. H. Embree, of 535 Auburn avenue, entertained Mr. and Mrs. G. R. Lovejoy at dinner recently, the occasion celebrating the birthday of Mrs. Lovejoy.

Miss Alta Gaquette, of Pasadena, entertained with a bridge tea on Tuesday at her home. Among the guests were Misses Shirley Chamberlain and Moreland Kortkamp, of Sierra Madre.

Mr. and Mrs. Conyers L. Twycross, of 123 South Baldwin avenue, entertained at dinner on Sunday. Guests included Mr. and Mrs. T. G. Lang and Misses Carol and Ruth Lang, of Downey, and Miss Lois Marie Black, of San Diego.

Mrs. Josephine E. Marr, of 204 East Central avenue, entertained with a dinner party in honor of Miss Laura Castle, of Texas on Sunday.

Mr. and Mrs. H. F. Barton, of 252 Ramona avenue, entertained at dinner on Sunday. There were four generations of the family present. Guests included Mr. and Mrs. Dan Urquhart, Mr. and Mrs. Vern Galvin and small son, and Mr. and Mrs. A. B. Barton, of Pasadena, and Miss Danolda Urquhart, of Los Angeles.

Miss Virginia Wood celebrated her 18th birthday on July 22 with a wienie roast at the Schneeburger camp in Yosemite National Park. Those present were Misses Jane and Betty Jo Adams, Betty Wood, Marian Cadwallader, Messrs. Bill Corwin, Ernest Thomas, Tom Sovulewski, Mr. and Mrs. Roland Adams, Mr. and Mrs. William Cadwallader and Mr. and Mrs. E. E. Schneeburger.

An informal picnic luncheon was enjoyed by members of the Esther Forman Garden Club on Friday at the home of Mrs. A. F. Snell, 419 East Highland avenue. Luncheon was served under a large magnolia tree. Talks of about three minutes of interest to the club were given by the guests.

Mrs. Marvin Coats, of 240 East Central avenue, entertained Miss Marion Grey, San Francisco teacher, who is studying this summer at U.C.L.A., and Mrs. B. F.

JUNIOR WOMAN'S CLUB HAS A BEACH PARTY

A beach party was enjoyed on Friday, Saturday and Sunday at the Phillips beach home at Surfside Colony by members of the Junior Woman's Club. Chaperoning the girls were Mrs. H. M. Selk and Mrs. John H. Fitzgerald. Those present were Misses Cynthia Hull, Dorothy Bains, Pat Selk, Marion and Eleanor Phillips, Evelyn Solary, Bertha Lee Fitzgerald, Sarah Jane Griebelnow, Dorothy Lichnog and Ruth Wheeling.

PASTOR PRITCHARD ON AN EASTERN TOUR

Rev. Arthur O. Pritchard, pastor of the Congregational Church left on Wednesday evening by bus from El Monte for Albany, N.Y., where he will visit his sister and son, Arthur Jr. He plans to stop in Chicago to see the Fair enroute. He will be gone for about a month.

A bon voyage party, honoring Prof. and Mrs. D. W. Leech and two daughters, of Pasadena, was given last Thursday by Mrs. Cynthia J. Holmes, 170 San Gabriel Court. Prof. Leech will spend six months in Europe doing research work for Dr. Millikan of Cal Tech. Among the guests were Mr. and Mrs. Scott Donaldson, of Glendale.

A surprise birthday dinner party was given on Monday evening in honor of Mrs. A. F. Fish at her home, 17 North Mountain Trail avenue, by eight of her friends. Out-of-town visitors were present from Santa Monica and Beverly Hills.

A most successful outdoor escort party was given on Monday evening by the Social Club of the Order of the Eastern Star at the home of Mrs. Jack Brain, 61 West Highland avenue. Following dinner, which was served under umbrellas and pergolas in the Brain garden, an entertainment was presented by Mrs. Nina Norris, who whistled and played accordion numbers, Howard Lieben, banjo solos, and Miss Arvilla Wilson, violinist. A group of readings, which were well received by the guests present, were given by Mrs. Mattie Cuddy. Games were enjoyed later in the evening.

Kindergarten Here Will Remain For At Least Another Year

Regardless of the fate of the bill now before the State Senate increasing the kindergarten age from 4½ to 5 years, Sierra Madre's kindergarten will continue for at least another year. School authorities have ruled that under the new legislation requiring attendance of 25 pupils and abolishing the classes where this average is not reached, the attendance of last year shall be taken as the basis for determining the necessity for a kindergarten.

The average attendance during the last school term with the age limit fixed at 4½ years was better than 30, with the probability that this figure will be maintained during the next term even though the age limit should be increased.

Governor Rolph vetoed a bill passed early in the first session of the legislature increasing the age of kindergartners to five years. When the legislators went back to Sacramento last week the Assembly overrode the veto by a scant two-thirds majority and the veto is now before the Senate.

EDITOR'S NOTE: You may contribute much towards the happiness of the birthday of some friend or relative. Send the date in to THE NEWS. Its publication a few days in advance of the anniversary may result in a party, in the sending of a card, a phone call and good wishes. It will undoubtedly help make life seem a little more worthwhile to know that one is remembered.

CUT COST OF OPERATING THE LIBRARY

(Continued from Page One)

circulation of books in each year from the Sierra Madre Public Library is given below:

Fiscal Year	Volumes
1923-24	32,323
1924-25	35,559
1925-26	36,957
1926-27	42,056
1927-28	45,920
1928-29	49,386
1929-30	50,753
1930-31	51,459
1931-32	54,604
1932-33	60,660

"The above figures show that while the population of Sierra Madre, between census figures of 1920 and 1930, increased 75 per cent, the library circulation increased 87½ percent during practically the same years.

"The Board of Library Trustees wish the patrons of the Public Library to know that in spite of all the economies which we have planned for this next year, the service rendered will not be seriously curtailed. The loyal and self-sacrificing members of our staff have accepted a reduction in their salaries of 10 per cent. They will work harder and actually give us more this next year than in the 12 months just passed. If then, the City Trustees allot to the Public Library the amount we have requested, \$3,866.00, which compares with \$4,830.00 the amount which they allotted to the Library this past year, we will be in a position to render the service to our patrons which they have received in the past.

"The Library Trustees urge that all keep in mind that an increasing amount of service can not be indefinitely maintained on a decreasing budget. The accomplishments of the coming year are truly the results of the unselfish loyalty of the Public Library staff. Criticisms and suggestions are always welcomed by the Board. If our patrons, however, will remember that our funds for this coming year will be barely equal to the amount upon which we operated eight years ago, while the staff will be giving us 65 percent greater service on a decreased salary, there will be no misunderstandings nor ground for complaints.

"The Board of the Public Library Trustees wish to express our appreciation for the support of the City Officials in our endeavor to render library service to the citizens of our city. Likewise we express our appreciation to the loyal help given us by all the members of the Library staff. And finally, we wish to express our gratification for the splendid cooperation of the citizens in the

America's Sweetheart Returns To The Silver Sheet At The Lyric

★ Mary Pickford star of 'Secrets' ★

Two double-winners before the Academy of Motion Picture Arts and Sciences, and two runners-up worked with Mary Pickford making "Secrets," which comes to the Lyric Theatre in Monrovia next Sunday for a run of two days.

The double winners are Frank Borzage and Frances Marion, the former for direction of "Bad Girl"

and "7th Heaven," and the latter for scripts of "The Champ" and "The Big House." The runners-up are Ray June, cameraman, and Richard Day, art director.

"Secrets," it will be recalled, is based upon the stage play of Rudolph Besier and May Edington which was produced in New York by Sam Harris.

Mrs. Frederick O. Nichols, of 45 Olive street, has been suffering from sinus trouble for the past week.

Mr. and Mrs. Roy Walsworth and family, of 20 South Baldwin avenue, spent the weekend at Newport Beach.

Mr. and Mrs. William Kennedy, son John and daughter Lillian, left Monday for a two weeks' stay at Redondo Beach.

Misses Elizabeth Morgridge and Moreland Kortkamp were guest artists at a meeting of the Rotary Club, last Wednesday.

Mrs. Gussie Barto, of San Clemente, has been visiting Mr. and Mrs. W. J. Lawless and Dr. John L. Woehler, this week.

Mr. and Mrs. Harry Ernst and nephew, Lawrence Peele, of Whittier, visited the Pickett family, of 201 West Highland avenue, on Sunday.

Mr. and Mrs. Leonard Wam-mock, and daughter, Dorothy, of 258 East Central avenue, enjoyed a picnic in Echo Park, Los Angeles, on Sunday.

A daughter, Audrey, was born on Thursday evening at the Pasadena Hospital to Mr. and Mrs. Dennis Dempsey, of Sturtevant Drive. The new arrival weighed over seven pounds. Mrs. Dempsey

Over 100 Homes Offered A News Want Ad Dog

Over 75 calls in answer to a recent "want ad" is the record reported by Mrs. Henry M. Smith, of San Gabriel Court, to THE NEWS office. Mrs. Smith wished to dispose of the family police dog before leaving for the east for a visit. THE NEWS had no sooner been delivered than Mrs. Smith started receiving calls for the dog. Roy Edwards Jr., first of the applicants, is the dog's new master.

"It was unbelievable," Mrs. Smith writes to tell us. "Why, I could have disposed of at least 100 dogs, I'm sure. I thought you'd be interested to know that your 'Want Ads' work wonders."

"RACE NIGHT" BEGINS AT LYRIC THEATRE

"Race Night," the only new screen development since the institution of sound, will have its opening performance at the Lyric Theatre in Monrovia, this Friday evening.

Every member of the audience takes part in the race inasmuch as everyone holds a ticket on the race and there are many winners.

This feature "Race Night" has been many months in the making and is now sweeping the country like wildfire. So when the racers are called to the starting post, have your ticket in hand and cheer for your favorite to win.

Fire Flames

By one of the boys

AND just after the Chief had made the front page of The News with his report on the small number of fires and the extremely low fire loss here, we had to have a beautiful fire. The fire was at a time so near the noon whistle that some of the boys didn't know whether to get hungry or excited.

The fire worked fast up through the gully, but it had nothing on some of the firemen and "Hump." As Hump might say, "the fire was close to home." Chief Richards happened to be over in Monrovia on fire business when the siren blew, and the run he made from that city would hint at the speed of Louis Meyer.

This is the first of the expected series of brush fires that seem to go along with our summer weather. It should be a warning to people when burning trash and rubbish. Too much care cannot be taken when trying to burn.

Chief Bill has been honored again. This time he has been appointed as a District Deputy State Fire Marshal. Bill says that this was a complete surprise to him and he also said that if badges meant money he would be lousier rich. He has enough badges to make the former Kaiser green with envy.

start your boy RIGHT

It is the early impressions that often count most in the future of a boy's life. Start yours right. Open a small savings account for him and teach him the usefulness of a bank, and the value to him in after life of knowing how to transact business as a banker does.

If you start a small account now it will be easier to send him through college or start him out in business. A few dollars a month from childhood will mean a lot when he is twenty-one. If you have a boy, start his account now—and keep it growing.

the service station Mrs. Andy served him with some of the finest beefsteak that a fellow could desire. He ate and ate and ate and then parked himself in his favorite arm chair for his evening smoke and snooze. No sooner had he settled in the chair than he was in the Land of Nod. Thinking of the last firemen's meeting, he dreamed. Seated around the room were the usual gang. Looking across the room, Andy saw what he thought was smoke and to make sure he went over to smell of it. Just as he neared the spot of the fire, some one shoved his face into it and Andy awoke to find that he really had fallen asleep and his cigarette had lighted his black necktie. This at least is what "we heard."

You can Cool and Ventilate the whole house, every room, with an Attic Cooling System

Make your home cool and comfortable in spite of the hottest weather... don't swelter under the bake-oven heat of a sun-scorched attic when you can have a delightful Air Cooled Home without a big investment!

COSTS ONLY A FEW CENTS A DAY TO OPERATE

JUST A SIMPLE installation of an Attic Ventilating System insures comfortable sleeping temperatures in your bedrooms, bringing quick relief from the heat of the day. As the ventilator draws off the blanket of hot, stagnant air from the attic, you can feel a constant-cooling breeze sweeping through the house, upstairs and down, lowering room temperatures as much as 10 to 15 degrees within an hour or two.

A few feet of attic space is all that's needed to install an Attic Ventilating System in any home, club, store, office, etc. By placing registers in the ceilings or trap doors in the clothes closets, the air is drawn from the various rooms up to the attic and exhausted out of doors.

Free Demonstration

You can see a demonstration of this system in operation by phoning or calling at your nearest Edison office.

GARDEN NOTES

By Jessie Ward Russell
Landscape Gardener

EVERYONE is having trouble with their Gladioli this year. Thrips are infesting them so badly it is almost impossible to secure perfect blooms. Many of the commercial growers have become so discouraged on account of the thrips they feel like giving up growing "Glads." The Gladioli that bloomed early in the season were not infested so badly but those that are just coming into bloom now are very bad. An article in the Sunday Times by Alice Koons states that the Department of Agriculture suggests spraying the Gladioli with a solution consisting of one rounded tablespoon of paris green and two pounds of brown sugar dissolved in three gallons of water. Repeat this spraying once a week. If the flower buds have already appeared, it is too late to begin treatment as the thrips are beyond control when the plants get that far along.

Hot days like we are having right now makes us feel as if we should have more palms and ornamental shade trees in our yards. Yesterday I was on a picnic at Echo Park in Los Angeles. The trees, palms and lawns

Amateur Artists Get Crack At Fair Prizes This Year

Amateur artists and sculptors are going to have their inning for the first time this fall at the combined Los Angeles, Riverside and Orange county fairs in Pomona September 15 to 24, for the fair is scheduled to hold its first amateur art exhibition.

The exhibition will be under the direction of Millard Sheets, prominent southland artist, who is in charge of the fine arts department of the fair. Competition will be open to the entire United States and it is expected that a wealth of material will be uncovered as a result of the show. Entries must be original works in either oil, water color, pastel or drawing and sculpturing. Each exhibitor will be allowed to enter one each of the above except in the sculpture where two entries will be allowed if a person desires. Particular stress is laid upon the fact that the works must not be copies. In the sculpturing any medium including soap may be used. The first prize will consist of \$2, the second of \$10 and the third, \$5. Applications for entries must be made on blanks secured from the fair offices in Pomona and must be back not later than September 6.

Local Poet Wins In Magazine Contest

Fantasy magazine has been holding a contest for the best poem on "War" and "Peace" and one of our local poets, Mrs. Florence E. Eakman was the prize winner with the poem "Let There Be Peace." This is the poem which Mrs. Eakman recited at the Memorial Day program at the Sierra Madre Park.

A MESSAGE FROM THE FEATHERED FRIENDS

By Adelaide Alden

Now that the hot dry season is here, those who love to have us flitting about in their gardens with our cheery song, would do us a great kindness if they would put out drinking cups or bird baths filled daily with fresh water. These can be made of any shallow tins, small tuna fish cans for instance, and when wedged between the newer branches of small trees, it is much safer for us, since we never know when some cat may be lurking among the shrubbery and spring upon us.

This is the hardest season of the whole year for feathered folk, as it is the moulting period which lasts from two to three months and the only time we feel too badly to sing. We can sing through grief, bad weather and hunger, but not when losing our feathers. At the beginning, we have fever and are so sick and miserable it takes every bit of the strength and energy we have, to seek the necessary food and drink.

If you have a cat, please do not put out a bath or drinking cup for us, as we are naturally attracted to the water, and being especially careless at this time, are very liable to fall a victim to its claws.

REAL GOOD NEWS FOR AVOCADO GROWERS

Pointing to the increasing benefits and security of avocado grower cooperation in marketing, the Calavo Growers' Exchange today announces that its grower-participants will receive for fruit in the last May pool a final total of from over 12 cents per pound, to a minimum of not less than approximately 3.5 cents per pound for the poorest fruit handled. The returns here include total estimated refunds and credits. Even these minimum returns as announced will at least equal total returns of many non-cooperative growers for their best fruit sold in May, it is stated.

During May, the month of the lowest avocado prices in history, the independent or uncontrolled fruit amounted to approximately two-thirds of the entire market offerings, literally flooding all outlets. Since June, the exchange has regained its over two-third market tonnage control, resulting in prices now rising, market reports reveal.

Be less ashamed to confess thy ignorance than, by holding a foolish argument, to betray it. Eliza Joceline.

California Show At Chicago Excels

California has much the most attractive and interesting exhibit of any of the States at the World's fair, according to Mrs. J. M. Campbell who has just returned from a three-weeks visit to Chicago where she visited her son-in-law and daughter, Mr. and Mrs. Peirce Vandercook, and her grandson and granddaughter whom she had never seen. The California exhibit is approached through a mammoth redwood tree, Mrs. Campbell says, and challenges attention and interest from the moment one beholds it, which accounts for the fact that it is constantly thronged.

A. L. A. Activities

By Dorothy Shetler

HERE is some news that is especially good to listen to this kind of melting weather. The homemade cake deal is off, and when we of the A.L.A. attend the meeting of the Legion on the night of August 1 we can come over with a cool countenance. There now—ain't that sumpin'?

Friends of Mrs. Edna Taylor will be glad to hear of her safe arrival in Arizona. Mrs. Taylor says so far she can not see much improvement in her health; but Comrade Charlie (Austin) Taylor is quite a bit better. The children are enjoying their vacation, with fishing as an added attraction.

The last Fourth Area meeting before convention will be held August 2 at 10:30 a.m. All Unit members are requested to attend at the assembly in the Patriotic Hall, Los Angeles. On August 1 the pages and usherettes are to attend a school in convention work at the Junior College in Pasadena.

In the 18th District there were 16,160 poppies ordered and 14,819 sold. Money received amounted to \$1568.14 all of which will be used in some branch of A.L.A. welfare work.

District Child Welfare chair-

man Mrs. Mashick, reports that during her term of chairmanship over \$3000 was turned in for child welfare work.

Mrs. Ary, district publicity chairman, has complimented the Sierra Madre unit on the goodly amount of publicity it has received. Which we in turn thank the Editor of *The News* for the space he so generously allows.

All nearby delegates and alternates are urged to register for the State convention as early as possible at the Vista del Arroyo Hotel in Pasadena. The registering will take place on the mezzanine floor, starting Saturday, August 12. Late comers will register on Monday at Jaysee.

Sunday night there will be a reception in the foyer of the Hotel Vista del Arroyo for all members, at 8:30 p.m. This affair will be free.

Monday morning there will be a half day session, followed by a most gorgeous afternoon parade. The massed colors formation will be a spectacular pageant. Monday night the great Drum Corps Pageant will be held in the Rose Bowl. On that night will be seen the final competition to decide the best Drum Corps, the best Band and the best drill team in the State. In addition to these events there will be other worth while features.

The A.L.A. has tickets to sell for the reserved section of the Rose Bowl and because of the large crowd expected we advise you to buy your tickets early. The price is 50 cents for adults and 25 cents for children for a show well worth two dollars.

Tuesday morning begins with the Past Presidents' Breakfast followed by a business assembly. The Chaplains have planned for a luncheon. The Legion will join in the afternoon meeting.

Wednesday is the last day and the busy day of the Convention. After a hectic day the three days of work will end up with the Presidents' and Commanders' Ball at the Hotel Vista del Arroyo. This dance is free to all members.

So whether you are a delegate, alternate or usher, you should attend the Convention. Next year it may not be so convenient to attend. A little bird told Yours

Truly about San Francisco hoping to have it there.

The next A.L.A. meeting will be in the Legion Rooms, Thurs-

day night August 10th. This is the night for election of officers. Nominations are still open. There are 12 places to be voted on.

KNOW YOUR OWN CALIFORNIA

GOLD RUSH!

—words that signaled a stampede to California... hint a grand vacation for you

OLD TOWNS where vigilantes made history. Old saloons. Crooked streets. Worn board walks and wooden awnings warped by time.

You see them, scarcely changed by almost a century, in a visit to the gold towns of our own California.

There's an adventurous vacation for you in this land where prospectors still pan gravel in quest of color. Fine highways make motoring easy through this Mother Lode Country—through the southern mines district and further north to Downieville and Rough and Ready.

On every hand are other wonders to be seen. You may run over to the Sierra's mile-high Tahoe, or explore the wondrous Yosemite.

A day away is San Francisco, America's coolest summer city. You'll enjoy golf above the Golden Gate, a night-time tour of Chinatown, a bright morning in the gardens of Golden Gate Park's thousand acres, the afternoon at Fishermen's Wharf or the Zoo, dinner in a quaint restaurant of any one of many other lands, dancing in famous hotels or bohemian restaurants.

Other days you might see Del Monte, Carmel, Monterey, Big Trees at Santa Cruz, the Universities of California and Stanford, the impressive Redwood Empire, or Sacramento, our capital. Or you could visit beautiful Mt. Shasta and Mt. Lassen in the near North.

There are many other interesting things to see and do right here in California. A FREE new book, with nearly a hundred illustrations, will tell you about them, and show you how low costs are this year.

"MELODY CRUISE" AT ARCADIA'S THEATRE

"Melody Cruise," starring Charlie Ruggles and Phil Harris, is being shown tonight and Saturday at Dean's Arcadia Theatre in Arcadia. To complete the program will be Glen Tryon in "Honeycomb Beach," News Weekly, Paramount Screen Souvenir, and Travelogue, "Mediterranean Memories." An approved P.T.A. Junior Matinee will be shown at 2 p.m. Saturday, at which time the ninth chapter of "The Last Frontier," will be presented. Billed for Sunday and Monday is William Powell in "Private Detective 62." A Laurel and Hardy comedy, "Towed in a Hole," Magic Carpet, Paramount News and a Scrappy Cartoon are added attractions. John Barrymore in "Reunion in Vienna," with Diana Wynward will be shown on Tuesday and Wednesday evenings. Zazu Pitts and Thelma Todd in "Asleep in the Feet," and other selected short subjects are added to the program. "College Humor," with Bing Crosby, king of the crooners, and a large cast of stars, comes to the Arcadia next Thursday. A Thor washing machine will be given away at this theatre on Wednesday, August 9.

Motor Trip Takes Local Tourists To Interesting Spots

Mr. and Mrs. Tom Tyler and Mrs. Fred Hooker Jones returned on Friday from a two weeks' motor trip. Sometime was spent at Richardson's Camp on the Redwood Highway; Grant's Pass and Portland, Ore. While in Portland they visited Mr. and Mrs. Henry V. Dolph, winter residents of Sierra Madre. They spent a most interesting time in the Grass Valley Country, where they visited early mining locations near Timbuctoo on the Yuba River. They returned via Lake Tahoe and the High Sierras. During the absence of Mr. and Mrs. Tyler, their son, George, Thatcher Jordan and Mrs. May Farman assisted customers at the Sierra Madre Furniture company.

Four Sierra Madre boys were rewarded at the Pasadena-San Gabriel Valley District Court of Honor held at Camp Huntington last Thursday night by an advancement in rank and merit badges awards.

Gail Hersey and Edward Decker were elevated from the tenderfoot rank to second class. Herbert Grammel was given medal badges in bugling and swimming. For cycling prowess and his personal health record, Charles Collins also earned badges. The merit tokens were awarded by Rev. Mr. Hannaford, chaplain of Troop 1. Joseph P. Howe, president of the San Gabriel-Pasadena Council, served as master of ceremonies.

Costs, to which judgment and decree reference is hereby made, and by order of sale issued to me by the clerk of the said court pursuant thereto, I am commanded to sell at public auction all of the following described premises, situate, lying and being in the City of Sierra Madre, County of Los Angeles, State of California, and bounded and described as follows, to-wit:

Lot Two (2) of Brainard's subdivision of the East 1/2 of Lot Four (4) of the Sierra Madre Tract in the City of Sierra Madre, County of Los Angeles, State of California, as per map recorded in Book 10, page 75 Miscellaneous Records of said County.

PUBLIC NOTICE IS HEREBY GIVEN that on Saturday, the 5th day of August, 1933, at 10 o'clock A.M. of that day, at the eastern and Spring Street entrance of the Los Angeles County Hall of Justice, in the City of Los Angeles, County of Los Angeles, and State of California, I will sell the above described property, or so much thereof as may be required in compliance with the said order of sale and decree of foreclosure and sale, to the highest and best bidder for cash.

Dated July 7, 1933.

R. E. ALLEN,
Commissioner appointed by said Court.

NOTICE OF TRUSTEE'S SALE

No. TS-563

On TUESDAY, the 22nd day of AUGUST, 1933, at 11:00 A.M., SECURITY-FIRST NATIONAL BANK OF LOS ANGELES, as Trustee under and pursuant to Deed of or Transfer in Trust executed by ERNST POTTH and ELIZABETH POTTH, his wife, dated June 10, 1930 recorded June 25, 1930, in Book 10055, Page 199 of Official Records in the office of the Recorder of Los Angeles County, California, and securing, among other obligations, note for \$1,000.00 dated June 10, 1930 in favor of ANNA FRIES and MARGARET FRIES, her sister, as joint tenants, will sell at public auction to highest bidder for cash (PAYABLE IN UNITED STATES GOLD COIN AT TIME OF SALE), OR IN OTHER LEGAL TENDER, at the Eastern entrance to the Hall of Justice facing toward Spring Street, Los Angeles, California, all right, title, and interest conveyed to and now held by it under said Deed or Transfer in the property situate in the City of Sierra Madre in said County and State, described as

Lots Ninety-four (94) and Ninety-five (95) of Tract 2456, Sheet 1, in the City of Sierra Madre, as per map recorded in Book 24, Pages 36 and 37 of Maps, in the office of the County Recorder of said County.

Said sale will be made, but without covenant or warranty, express or implied, regarding title, possession, or encumbrances, to pay the entire principal sum of said note, to-wit, \$1,000.00, with interest from June 10, 1932, at the rate of eight per cent per annum, compounded quarterly; advances, if any, under the terms of said Deed or Transfer; fees, charges and expenses of the Trustee and of trusts created by said Deed or Transfer.

The beneficiary under said Deed or Transfer, by reason of a breach or default in the obligations secured thereby, heretofore executed and delivered to undersigned a written Declaration of Default and Demand for Sale and written notice of breach and of election to cause the undersigned to sell said property to satisfy said obligations, and thereafter, on April 26, 1933, the undersigned caused said notice of breach and of election to be recorded in Book 12192, Page 16, of Official Records in said recorder's office.

Dated July 27, 1933.

Favorite Recipes of Sierra Madreans

CARROT ZIMES is a favorite dish of Mrs. Marvin Coats, of 240 East Central avenue, and here is her recipe:

2 lbs. fat brisket of beef
2 bunches carrots
Salt and pepper to taste
1 cup sugar
1 cup water
2 tablespoons fat
2 tablespoons flour
1 cup carrot liquid

METHOD: Salt and pepper the meat and let stand for several hours. Make a syrup of sugar and water by boiling for 10 minutes. To this syrup add the diced carrots that have been previously browned in hot fat or butter. Place in kettle with boiling water to cover and cook gently several hours, or until meat and carrots are tender and half the water is boiled away. Heat the fat in a spider, let brown slightly and add the flour gradually and then one cup of carrot and meat liquid. Place in kettle with meat and carrots and let cook gently until carrots become browned.

GAY NINETIES FETE AT MONROVIA WOMAN'S CLUB ON THURSDAY

A dance, sponsored by the Junior Woman's Club of Monrovia, will close the Gay Nineties Gala Garden Fete, which will be held from 3 p.m. until midnight next Thursday, August 3, at the club gardens on North Canon avenue, in Monrovia.

Bill Eilers and his orchestra will furnish the music for the affair and in conjunction with the scheme of the fete a few square dances and Virginia reels have been added to the program. Tickets for the affair may be secured from Mrs. Emma Livingston at the Sierra Madre Telephone company.

"MAN OF WAX" COMING TO THE PLAYHOUSE

Lloyd Corrigan, well known motion picture director, has mastered the Napoleonic waltz and the eccentricities of the Little Corporal, preparatory to presentation at the Pasadena Community Playhouse for "Man of Wax," the Julian Thompson adaptation of the German play, which will open Tuesday evening, August 1. Corrigan is to play the role of Napoleon in the modern romantic comedy. Lee Shubert is coming west to attend the opening of the play, which he plans to present in New York this fall, taking Gilmore Brown east to direct it.

MEDICAL DIRECTOR TO MAKE HOME HERE

Dr. and Mrs. James P. Donelan, of Los Angeles, have rented the Gordon Brooks home at 334 North Lima street. Dr. Donelan is medical director of the Pacific Mutual Life Insurance Company, with offices at Los Angeles. The transaction was made through W. R. Humphries, realtor.

MOHAWK TRIBESMEN OFF FOR CAMP BETHEL

About 20 boys of the Boys' Christian League went to Camp Bethel on Tuesday for a swim and tour of inspection. The boys, with Mr. Hampton, Mrs. Leila Embree, Mrs. Helen Lovejoy and Mrs. Stivers accompanying them, enjoyed a pot luck dinner at Los Angeles County Park earlier in the day. A number of local boys are contemplating a two weeks' camping trip at Camp Bethel, planning to leave next Tuesday. The boys are members of the Mohawk Tribe.

TEA ROOM INSTALLS A BIG FRIGIDAIRE

A cafe size Frigidaire was installed this week at La Casa Vieja Tea Room by the Sierra Madre Hardware company. This new electric refrigeration will aid greatly in the preservation and the preparation of foods at the new tea room.

SIERRA MADREANS NAMED TO SOCIETY OFFICES

Two Sierra Madre boys were recently selected for important offices in Pasadena chapter No. 48, Aleph Zadik Aleph, international youths' brotherhood. Harold Keltz was elected secretary for the second year, and Emanuel Silberman, retiring vice-president, became the new treasurer.

Before the government guarantees all bank deposits it might be well for congress to pass a bill compelling all men to be honest.

Dance, Cards And Entertainment By Citys Unemployed

Scheduled to appear in a play at the Sierra Madre Woman's clubhouse Thursday evening, August 10, are Oscar and Elmer of radio fame. The play together with a dance and card party is to be given under the auspices of the local Cooperative Relief Association. Oscar and Elmer have been widely advertising the affair over the radio stations where they are heard. Mrs. Vada Lass is chairman of the affair to which the public is very cordially invited.

The women's department of the organization has moved to 62 Windsor Lane, where it will continue to carry on its work.

About 108 active members are fed at the headquarters weekly, the meals being cooked by Ralph Cleveland, old army cook, who performs in the kitchen of a house furnished by Moses Rudolph for the organization's use. The kitchen is also used for canning fruit for the winter supply. Thirty gallons of milk and about 100 pounds of bread are given out daily.

Relief is being given each week to 274 families, totaling 1034 persons. A total of 2977 pounds of food, including vegetables, is weekly distributed to the needy unemployed. All cash donations are to be made through Dean A.G.H. Bode.

BOOK BOX WILL GIVE LIBRARY SERVICE

The Book Box will open next Tuesday at 16 West Central avenue, carrying the latest fiction and non-fiction books and jigsaw puzzles for rent. Mr. and Mrs. W. E. Pyle, the proprietors, who reside at 171 East Grand View avenue, will be in the store from 9 a.m. until 8 p.m. daily to serve the people of the community.

A special service for those who will not be able to get downtown for books and puzzles has been arranged. Books will be delivered and called for. No deposit will be required when renting jigsaw puzzles. An invitation to visit the box has been extended and for those who cannot come in, phone 94 for service.

TWO LOCAL BOYS TAKE SHAKESPEARIAN ROLES

Sellwyn Myers and Gilbert Somner were in the cast of the "Merchant of Venice," presented on Tuesday night at the Hotel Huntington, Pasadena. The play will be given soon at the Busch Gardens as a benefit for the unemployed.

start your boy RIGHT

It is the early impressions that often count most
in the future of a boy's life. Start yours right.
Open a small savings account for him and teach
him the usefulness of a bank, and the value to
him in after life of knowing how to transact
business as a banker does.

If you start a small account now it will be easier
to send him through college or start him out in
business. A few dollars a month from childhood
will mean a lot when he is twenty-one. If you
have a boy, start his account now—and keep it
growing.

President Roosevelt, we are marching with you today!

Roberts Markets will co-operate 100 per cent with the President
of the United States in the recovery of Business.

We are already making such changes in our organization as will
permit us to work in complete harmony with President Roosevelt's plan
to bring back immediate recovery of business conditions.

Beginning August 1st all employees will be placed on a 40-hour
week or an eight-hour day and a five day week.

There will be no salary reductions, so that our wage scale will
average 50 per cent more than that required by the National Recovery
Act. Actually we are employing enough more men to increase our pay
roll at least 25 per cent.

We are facing a new era! Let's all work together!
